Hallco Names President, General Manager

Hallco Industries Inc., based out of Tillamook, Ore., has named Russ Halvorsen President and General Manager.

Under Halvorsen's guidance and leadership, the company plans to focus efforts on new product development in the conveyor industry.

Christian Papé Moves Up

Christian Papé has been named manager of corporate development and external affairs for The Papé Group Inc. in Eugene, Ore. In his new role, he will work closely with both the marketing and human resource departments to enhance external relationships for the Papé organization with a variety of constituents, including customers, community leaders, employee team members, and potential members.

Most recently, Papé was a territory manager at Papé Machinery in Mount Vernon, Wash., a position he held for four years. He has more than 10 years of sales and marketing experience with The Papé Group and Papé Machinery. www.pape.com

Kenworth Receives Green Washington Award

Kenworth Truck Company was honored with the 2009 Green Washington manufacturing award from Seattle Business magazine during a special awards banquet Wednesday night in Seattle.

Kenworth received recognition for its T270 and T370 diesel-electric hybrid trucks, T800 liquefied natural gas (LNG) vehicles, and award-winning efforts by its manufacturing plant in Renton, Wash., to build trucks in an environmentally sustainable manner.

"Kenworth is pleased to receive the Green Washington manufacturing award in recognition of our extensive environmental efforts," said Bill Kozek, Kenworth general manager and PACCAR vice president. "Kenworth continues to lead the trucking industry by providing practical technologies that help customers enhance fuel economy and reduce emissions. We now have over 500 hybrid and LNG trucks operating in the marketplace." www.kenworth.com

New Western Sales Manager for Hyva

Hyva Group has appointed Mr. Robert (Bob) Voss as Western Sales Manager for Hyva Corporation in the USA.

Voss has built a successful career in sales management and marketing with original equipment and aftermarket manufacturing and distribution organizations in the commercial vehicle component and equipment industry.

His increasingly responsible experience has been developed with leading companies such as Reyco-Granning (suspension systems), Hayes Lemmerz (wheels, brake drums, hubs), Watson & Chalin (lift axles and suspension systems), and Utility

Trailer Manufacturing (semi-trailers and aftermarket parts). www.hyva.com
