*Denis Cimaf specializes in brushcutter
chippers for skid steer loaders,
backhoes and excavators in the 6 tons
to 30 tons class. Well known for
efficiently and cleanly carrying out site
preparation, general land clearing and
right-of-way preparation and mainte-
nance, these sturdy brushcutter-
chippers are as easy to operate as
to maintain.*

For more than 50 years, the SENNEBOGEN family has been delivering the world's finest purpose-built material handling equipment. Ergonomically perfect operators' workstations, intelligent diagnostic systems and the improvement of the ecological balance by increasing efficiency and reducing noise emissions are considered SENNEBOGEN's top priorities.

With 21 different models, the SENNEBOGEN green line product lineup has a machine that meets every application including scrap, recycling, forestry, mill-yard, marine, harbor and dredging.

TimberPro now has a new plant in Shawano, Wisconsin to manufacture a 6-wheeled feller-buncher that will handle the heavier attachments and 8-wheeled forwarder. Both have continuous swing and optional 22 degree leveling. They can work over either end allowing the TF 820 to work with a CTL attachment and operators are able to change to a grapple in 10 minutes.
